

Lehi City Archives

Possible Eagle Projects

The Lehi City Archives have just been established. The base document of the Archives was the collection of historical photographs and documents gathered by the late Scouter and Historian Richard Van Wagoner. He was a deaf scout, but didn't let that stand in his way. As a scout he received every merit badge available at the time. He documented and wrote about Lehi History. He wrote the current history of Lehi City. His work needs to be carried on by the Scouts of Lehi District.

Photography Eagle Projects

Each of these photography pages must start with a page on the prospective Eagle Scout, photograph, name and information about him.

Presently Eleven of these deal with Photography and can be used by all the boys for the Photography Merit Badge. (Requirement #4). The boys will take photographs and will be required to provide the photographs and provide them on a CD as a whole and an individual print of each photo, Also they will be required to write up a description, the date, and information about each photo.

Project #1 Photographic History of Homes in Lehi

The scout will find out about the early homes of Lehi. They will understand how the early pioneers built their early homes of adobe, wood and later brick. The scout will then go through old Lehi and take pictures of the original homes. The scout will look for adobe, early brick and wood homes.

At each home he will fill out a form on each home. Individual hard copies of the homes will be presented. All the homes will be put on digitally on a disk for files. The scout will compile a list of homes made up adobe, made of early brick, and made of wood. There is no list. The scout will be helping us make this list.

Project #2 Agricultural Photography Documentation

Lehi is still has an abundance of Agricultural Enterprises and remains of prior Agricultural events. The Scouts will scour Lehi and the farms around the community. They will document by photography the farms, farmers, the equipment, the barns, the fields, the fences, the barb wire, the animals and fields of the Community. Scout should have had a minimum 100 pictures. The Scout will provide a hard copy print of each picture and all the pictures on a disk. Each picture will be accompanied by a sheet which lists the date taken, address, what the piece of equipment and what it is for, the owner of the property, when the barn was built and what the exact animals are. It should also identify and individuals in the pictures.

Historical Projects

There are seven projects dealing with the History of Scouting and the History of Lehi. One Scout will work on coming up with the history of Scouting in Lehi; another a collection of historical Scout Patches. Two others will work with other scouts in making a historical time line using one of the two histories of Lehi. Another Scout will scan the Biographies from the Lehi 1945 History Book and print out individual sheets for each biography for the Archives Biographical Files. Another will obtain Biographies from Lehi and another will print and apply labels to the historical files at the Archives

Project #15. Historical Scouting Artifacts of Lehi collection for the Lehi City Archives

This Scout Project will be to work on the history of Scouting in Lehi. Scout will contact each ward asking any ward members to donate stories, information, copy of photographs, documents, camp programs, award banquet memorabilia that could be donated for the Scouting history of Lehi. Scout will identify and contact and interview key scouters from history, to have them write their stories and events of Scouting in Lehi down. These stories, photographs will be saved in the Lehi Archives for Scouters to

access in the future. This will be a great service to Scouting and to Lehi.

AVAILABLE

Project #16 Utah National Boy Scout Patch Collection to be housed at the Lehi Archives

The Project will be to collect as many Utah National Parks Patches from the history of Boy Scouting in Lehi. The Scouts will start canvass Lehi, Scout organizations, wards, Scout Leaders and others to donate patches to start a historical collection of Scout patches use by Scouts in Lehi. These will be displayed at the Archives so that Scouts can view and add to the collection.

AVAILABLE

Project #17 Centennial History of Lehi Biography Scan

The Scouts will take the Biography Section of the History of Lehi (all ready on-line) and take the pages and format them to a set format for each individual biography. This will be given to the archives on a disk.

The Scouts will then print out two hard copies of each of the biographies of each person individually. One copy of each biography will be placed in a plastic holder and combined in a binder. The other copy will be stapled as necessary and provided to the Archives for individual biographies.

AVAILABLE

Project #18 Collect Biographies of your ward or area boundary.

One of the purposes of the Lehi City Historical Archives is to preserve the memory, history and biography of the men, women and children who walked the streets of Lehi. In the ward area of your scout troop, there are many people whose stories need to be preserved. Many of them have parents, grandparents and other ancestors who have settled and lived in Lehi. Their lives need to be told.

The Scout Project will include within their ward area:

- Compile a history of the ward in which they live. Include a historical listing of the Bishoprics from that ward and what church they attended.
- Gather histories of those ancestors of members who live in your ward. The Scout will try to collect biographies of Lehi Residents (Intended for those who have died but can also include Senior Citizens of Lehi at the current time). The history should include a photograph of the person. The Individual Biographies can contain copy of obituaries, family photographs, individual photographs, pictures of their homes, occupation and any other items about the individual. Items such as patriarchal blessings, genealogy sheets, funeral programs, photographs from all eras of their lives, and other special items can also be included
- Gather interesting stories of Lehi from the members of your ward. These should be typed up and included with your project.
- Gather photographs of Lehi and Lehi people to be donated to the Archives. Prepare a page on each photograph describing when the photograph was taken, what the photograph is of, who is in the photograph, why the photograph was taken who took the photograph and any other significant facts about the picture.
- Gather any pertinent artifacts to be donated to the Archives.

These biographies will be kept in an individual file for each person for protection and preserving the histories for future generations. Future generations will be able to come to the Lehi Archives to find out about their ancestors.

AVAILABLE For Each Ward Unit

Project #19 File Folder Labels

All the files at the Archives are in need of computer prepared file folder labels. We will need one on the Manila Folder of each file and the other on the green hanging folders. The plastic form we use on the hanging folders are provided and are at the Archives.

The Listing of the Archives files are all typed and on a google document and can be emailed to the Scout.

The Scout will obtain the File folder labels for the manila folders and print them out. The Scouts will apply them to each of the files so they look professional

They will also put little stickers into the plastic containers for the identification on the green hanging folders. The Scouts will also connect these to the proper place on the green hanging folders. This will be a great help to the Archives.

Woodworking Projects

Project #21 Wood Holder for blueprints, plans and maps.

We have a woodworking project. The Archives has a bunch of plat maps, blueprints of the Lehi Memorial Building, Old Lehi High School, Tabernacle, and other buildings, churches and schools. We need a wood box that can securely hold these plot plans in tubes to protect them. The scout will raise the money for the project, construct it and finish the holder for approximately 50 tubes. These old blueprints are wide and necessary for larger than normal tubes.

***Project taken by Jay D. Hadfield.

Project #22 Wood Holder for oversized photographs

This is another woodworking project. The Archives has a collection of oversized photographs that need to be stored and protected. We will need to have a case build with slotted sections to hold oversized photographs. The scout will raise the money for the project, construct it and finish the holder for these photographs. This will save hundreds of pictures from damage.

Project #23-24 Book Cases for Oversized Books

The Archives are in need of two large bookcases to hold over-sized books. The Scout will raise money for and build two large bookcases for the Archives to hold very old and expensive historical books.

Available

Project 25 Collection cases with glass/plexiglass.

The Archives are in need of Collection cases where items can be shown, but protected. These will display pins, buttons, coins, patches and other collections that the Archives has or will have. The scout will raise money for and build several collection cases.

Available

Any boy or leader who is interested in the project can contact John K. Haws Jr. at 801-857-8120. We feel like these projects will have become a meaningful project for the boys and will help the history of Lehi to be documented in the Archives.
